ARCHITEKTONISCHE  
LEUCHTEN  
KATALOG

ARCHITECTURAL  
LIGHTING  
CATALOGUE

Man könnte meinen, es sei wieder der nächste Produktkatalog der Cleoni Marke. Irrtum!

Es ist eine wunderschöne Galerie der modernsten Beleuchtungskunstwerke, die mit klarem geometrischem Design überzeugen. Jede Seite wird zum Wegweiser durch die Welt der hoch entwickelten Technologie und Funktionalität unserer Produkte. Und das Wichtigste - es ist eine unerschöpfliche Inspirationsquelle, unverzichtbar bei der Gestaltung und Lichtwahl für ein modernes Haus oder Büro.

Wir hoffen, Sie finden in unserem breiten Beleuchtungsangebot das perfekte Model, das zu Ihrer Raumplanung ideal passt und wird Ihnen damit genauso viel Freude bereiten, die uns beim Kreieren unserer Produkte stets begleitet hat.

Wir wünschen Ihnen viele einzigartige Arrangements!  
Ihr Cleoni Team

*It might seem that this is just another catalogue by Cleoni. However, nothing could be more wrong.*

*It is also a stunningly beautiful gallery of modern lighting presenting raw, geometric design. It is a guide to the advanced technology and broad functionality of the proposed solutions. And, finally, perhaps most importantly, it is an endless source of inspiration, indispensable during the process of designing and selecting both adequate and effective lighting for a contemporary house or office.*

*We hope that among our technical luminaires you are going to find the perfect match for your interior. Let these light fixtures bring you at least as much satisfaction as we got from designing the collection.*

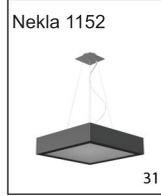

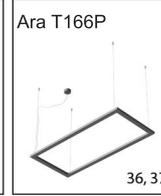

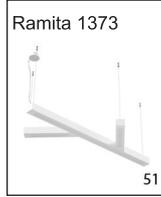

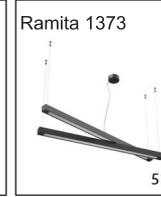

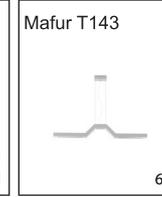

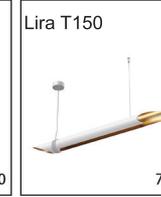

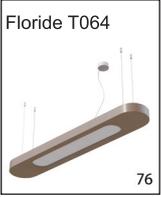

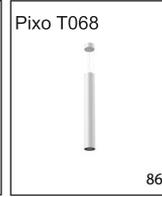

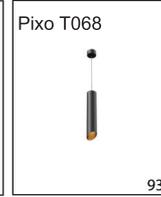

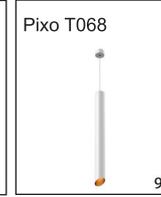

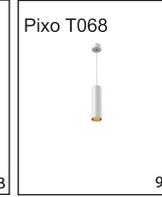

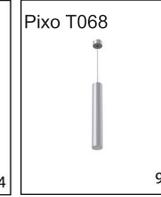

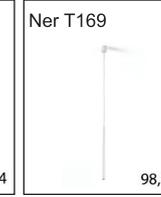

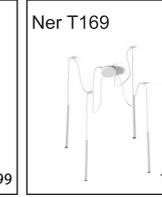

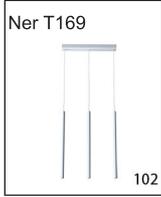

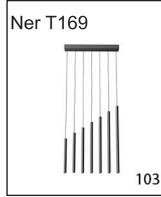

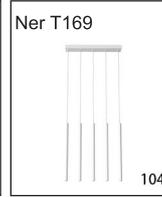

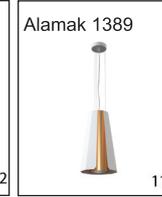

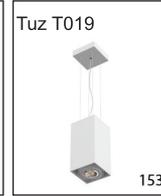

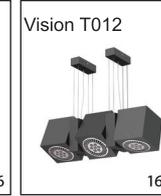

*May your arrangements be exceptional!  
The Cleoni Team*

## Symbole und Markierungen Beschreibung:

	Dieses Produkt darf am Ende seiner Lebensdauer nicht in den normalen Haushaltsabfall entsorgt werden
	CE-zertifiziert
	Leuchten geeignet zur Montage auf normal entflammaren Flächen
	Leuchten geeignet zur Montage nur auf unbrennbaren Oberflächen
	Leuchten mit Schutzleiter ( Schutzklasse I)
	Verstärkte oder doppelte Isolierung (Schutzklasse II)
	Kein Schutz gegen das Eindringen von Wasser
	Die elektronische System in der Set
	Wechselstrom
	Gleichstrom
	Stahl
	Aluminium
	Sperrholz
	Gewicht
	Austrahlrichtung – nach unten
	Austrahlrichtung – nach oben
	Austrahlrichtung – nach oben und nach unten
	Montage durch Einrasten

## Icons and markings descriptions:

	<i>Disposing to the household waste is not allowed</i>
	<i>Icon of conformity with essential directives of new approach</i>
	<i>Fittings are suitable for fixing to normally flammable surfaces</i>
	<i>Fittings are suitable for fixing to inflammable surfaces only</i>
	<i>First class of electrical protection</i>
	<i>Second class of electrical protection</i>
	<i>No protection against water</i>
	<i>Electronic included</i>
	<i>Alternating current</i>
	<i>Current Standing</i>
	<i>Steel</i>
	<i>Aluminium</i>
	<i>Plywood</i>
	<i>Weight</i>
	<i>luminaires lighting down</i>
	<i>luminaires lighting up</i>
	<i>luminaires lighting up and down</i>
	<i>Lighting luminaire fasten with latches</i>
